SVEEP: DC Ganderbal kick-starts Chinar plantation drive at Biodiversity Park Dagapora

HIMALAYAN MAIL NEWS
JAMMU, MAR 28

The Deputy Commissioner (DC) Ganderbal, Shyambir today kick-started a mega Chinar plantation drive at Biodiversity Park Dagapora Ganderbal under the Systematic Voters' Education and Electoral Participation (SVEEP) program.

Chinar plantation drive was organized by District Floriculture Officer Ganderbal in collaboration with Sindh Forest Division Ganderbal.

The event witnessed the enthusiastic participation of various stakeholders including DFO Sindh Forest Division Ganderbal, District Floriculture Officer, Forest department staff, students and local residents.

The ceremonial planting of Chinar saplings by the DC marked the inauguration, symbolizing the collective commitment to fostering a greener and healthier environment.

Over 100 Chinar plants were planted during the event, highlighting the crucial significance of preserving this iconic species.

Underlining the District Administration Ganderbal's ambitious green agenda, the aim is to plant 3 lakh saplings of diverse species across the district's open

spaces. Speaking at the event, the DC stressed the cultural and environmental importance of Chinars, emphasizing their status as a heritage of Kashmir.

He urged everyone to actively participate in this noble cause by planting at least one sapling and engag-

ing in the upcoming elections.

The mega plantation drive underscores the District Administration's commitment to environmental sustainability and civic engagement, marking a significant step towards a greener and more participatory future.

BLOs imparted Training about electoral process at different assembly segments of Kupwara

KUPWARA, MARCH

28: Ahead of the upcoming Lok Sabha Elections, series of training sessions were conducted today at designated places of different assembly segments of Kupwara district, in order to educate the Supervisors and Booth Level Officers (BLOs) about various aspects of electoral process and proficient handling of Electronic Voting Machines (EVMs) and Voter Verifiable Paper Audit Trail (VVPAT) machines.

During the training, BLOs were emphasized to update the voter lists and make them healthy and error free besides it was stressed that Youth, women, senior citizens es-

pecially with the age of 80 plus, PwDs (Persons with disabilities), transgender and other vulnerable sections of the society are not left out.

On the occasion, practical demonstration was given to the participant trainees regarding the functioning of EVMs and VVPAT machines to boost their understanding and proficiency in managing the voting process.

At Town hall Handwara, the Training session was conducted under the supervision of Assistant Returning Officer (ARO), assembly segment 5-Handwara, Aziz Ahmad Rather to train the Supervisors and Booth Level Officers about the

various aspects of electoral process especially making voter lists healthy and efficient operation of EVMs and VVPAT machines in the upcoming elections.

The training was conducted by District Level Master Trainers (DLMTs) who provided full guidance to participants on various facets of the electoral process and operations of EVM/VVPAT.

Speaking at the occasion, ARO highlighted the importance of election training to the BLOs. He said training enables the officials to understand the election system, learn handling and operation of EVMs to ensure an error-free election process.
