

DC reviews healthcare infrastructure in Pooncha

POONCH, OCTOBER 15: Deputy Commissioner Poonch Vikas Kundal chaired a meeting of healthcare functionaries, here today at the District Hospital. At the outset, the Deputy Commissioner took a detailed review of achievements under Health Sector Schemes, functioning of Health Institution, infrastructure up-gradation and the healthcare facilities being extended to patients. The DC also took the first hand appraisal from respective Medical Superintendents about the working of Hospitals in different parts of the District. He inquired about the healthcare facilities being extended to the patients and works being executed for infrastructure up-gradation and procurement of machinery. The DC asked

the Medical Superintendents to submit details of requirements so that necessary interventions are taken to resolve the issues at the earliest to further strengthen the patient care system in the District. A threadbare discussion was held on the physical status of projects, financial implications, Healthcare achievements, Patient care facilities, enrollment under various projects like PMJAY Ayushman Bharat, Jan Ayushadhi Kendras, TB free scheme and other related issues.

The DC instructed the health care functionaries to come up to the expectations of the patients and focus on quality assurance, accessible, affordable health care in the District. Stressing on utmost coordination among the Health functionaries and concerned line Departments, the DC emphasised on expediting works taken up for upgradation of healthcare infrastructure in the District. The meeting was attended by ADC Poonch, Medical Superintendent, Chief Medical Officer, Chief Planning Officers, Programme Officer ICDS, District Social Welfare Officer Executive Engineer R&B, Executive Engineer PDD, Civil society workers and others concerned.

298 JJM water supply schemes coming up in Rajouri District

HIMALAYAN MAIL NEWS JAMMU, OCT 15

Additional District Development Commissioner (ADDC) Rajouri, Raj Kumar Thapa, chaired a high-level review meeting today to assess the progress of water supply schemes being executed in the district under the Jal Jeevan Mission (JJM). The ADDC reviewed the status of the 298 water supply schemes planned for the district. It was reported that 33 schemes have been completed, while the rest are at various stages of execution. A detailed component-wise review was conducted, with the ADDC assessing the progress of various infrastructure elements critical to the success of the mission. These included Borewells, Rapid Sand Filtration Plants (RSFP), Dug Wells, Overhead Tanks (OHT), and the laying of pipe networks across different blocks. Each of these components plays a key role in ensuring the uninterrupted supply of clean drinking water to rural and urban households alike. Executive Engineers from the Public Health Engineering (PHE) Department, Rajouri and Nowshera, presented their respective progress reports. They provided updates on the physical and financial status of each scheme and discussed challenges such as topographical difficulties, material shortages, and the need for better coordination between executing agencies. The officials assured the ADDC that efforts were being made to address these bottlenecks and that all resources were being mobilized to expedite the work. The ADDC stressed the importance of regular monitoring and field inspections to ensure that the work is being executed according to the established standards.
