Woman injured in accidental gunshot

A woman was wounded after a firearm went off accidentally at their residence in Duthan village of Ramban district late last night.

The injured was identified as Sapna Devi (36).

Officials said the bullet hit her after a gun went off accidentally at their residence. Soon thereafter, she was shifted by her family members to hospital.

Pak intruder held near IB

A Pakistani intruder was today apprehended by BSF from the border Ramgarh area of Samba district of Jammu.

Officials said he was taken into custody soon after he crossed over to this side of the International Border from BSF's Ballar border outpost at about 7 pm.

His sustained questioning was in progress to find out the motive of his coming to the Indian territory, the officials added.

Further details were awaited.

2 IAS officers suspended

CHANDIGARH, FEB 08: In a major administrative action, the Punjab government has suspended two senior IAS officers with immediate effect.

According to official orders, officers Kamal Kishore Yadav and Jaspreet Singh have been suspended.

Although the reasons for their suspension were not specified in the orders, sources said that it stemmed from a six-year delay in procuring smartphones for Anganwadi workers under the Union Government's Mission Saksham Anganwadi.

The vendor selected by the government for providing smartphones had

'Message loud & clear'

No double standards, no compromise on terrorism: PM Modi

KUALA LUMPUR, FEB 08: Asserting that India's position on terrorism remains firm, Prime Minister Narendra Modi today underlined the country's continued support for all efforts aimed at peace, saying that there could be no double standards on terrorism.

As India and Malaysia unveiled several initiatives to further shore up cooperation in areas of defence and security, semiconductor and trade, PM Modi held wide-ranging talks with his Malaysian counterpart Anwar Ibrahim.

Following the meeting, Modi said India and Malaysia share a "special relationship" and both sides are committed to expanding their ties in diverse sectors.

The prime minister also reiterated India's position on combating terrorism as he said: "Our message on terrorism is clear; no dou-

ble standards, no compromise."

Modi arrived in Kuala Lumpur on Saturday to a grand red-carpet reception, with Ibrahim receiving him at the airport.

Ahead of the talks, Modi was accorded a ceremonial welcome at Perdana Putra this morning.

"India and Malaysia share a special relationship. We are maritime neighbours. For centuries,

our people have had deep and affectionate ties," Modi said.

"Today, Malaysia is the second largest country in the world with a population of Indian origin. Our civilisations, shared cultural heritage and democratic values bind us together," he said.

Modi said both sides will strengthen cooperation in counter-terrorism, intelligence sharing, and mar-

itime security.

"We will also make defence cooperation more comprehensive," he said.

"Along with AI and digital technologies, we will advance partnerships in semiconductors, health, and food security," he said.

The prime minister also touched upon India's approach towards the Indo-Pacific.

"The Indo-Pacific region is emerging as the growth engine of the world," he said.

The prime minister said India is committed to development, peace and stability across the entire Indo-Pacific region together with ASEAN (Association of Southeast Asian Nations).

Malaysian Prime Minister Ibrahim said India and Malaysia continue to expand collaboration in trade, investment, connectivity and defence.

"India has registered a spectacular rise in global

US drops bombshell, says China performed n-test after Galwan clash

NEW DELHI, FEB 08: The United States has accused China of conducting a covert nuclear explosive test on June 22, 2020,

estimated Chinese casualties at over 35.

US Under Secretary of State Thomas G DiNanno said China used techniques designed to evade international monitoring systems while carrying out yield-producing nuclear tests.

"China has conducted nuclear explosive tests, including preparing for tests with designated yields in the hundreds of tons...

China has used decoupling - a method to decrease the effectiveness of seismic monitoring - to hide its activities from the world. China conducted one such

yield producing nuclear test on June 22, 2020," DiNanno said in a post on X.

The date cited by the US official comes a week after the June 15, 2020, Galwan Valley face-off between Indian and Chinese troops in eastern Ladakh. Twenty Indian soldiers were killed in the clashes, while intelligence reports at the time estimated Chinese casualties at over 30.

DiNanno's remarks came as the New START treaty, the last remaining nuclear arms control agreement between the United States and Russia,

SMVDSB to fill vacant posts soon, make purchases from SHGs

Katra to be equipped with modern infra, says LG

Himalayan Mail News
JAMMU, FEB 08

In a SMVDSB meeting, which was chaired by LG Manoj Sinha here today, it was resolved to fill all vacant posts in the board soon and prioritise purchases from self-help groups (SHGs).

The board took a series of high-impact decisions to completely transform the holy cave shrine and its surrounding region into India's leading and most vibrant spiritual destination-earning worldwide acclaim.

The board approved three key initiatives - an international museum dedicated to Maa Shakti's spiritual heritage, a sound-and-light spectacle modeled on global pilgrimage sites and a documentary on the highly revered Mata Vaishno Devi cave shrine.

In another important initiative, Shri Mata Vaishno Devi Shrine Board decided to fill vacant positions, with recruitment process set to begin shortly.

The SMVDSB also greenlit the establishment of coaching centers, offering free NEET preparation to youth from surrounding areas.

It approved the formulation and phased implementation of a rehabilitation plan for the service providers on the pilgrimage track, like ponywallas, in line with the directives of National Green Tribunal.

A committee was also constituted to as-

sess the strategies for expanding pilgrimage numbers, enhance pilgrimage experience and present recommendations to the board.

The board resolved to prioritise purchases from self-help groups, women and young local entrepreneurs to supercharge regional economy.

It decided to source Almighty Mata's offerings locally, channeling funds directly into community growth.

Since Mata's abode puts Katra city on the global map, the board decided to contribute directly for city's transformation.

"It's the board's resolve to make Katra clean, vibrant, and equipped with modern infrastructure for residents and the millions who arrive as pilgrims," LG Sinha

India now negotiates trade deals from position of strength: Goyal

NEW DELHI, FEB 08: India will have no difficulty in purchasing goods worth \$500 billion from the US over the next five years, as envisaged under the bilateral trade pact, and in fact, this is an "extremely" conservative number for a country which aspires to become a \$30 trillion economy, Commerce Minister Piyush Goyal said on Sunday.

"My sense is we need at least a 100 billion dollar plus only for the aviation sector, in addition to oil, LNG, LPG, and crude oil," he said.

According to a joint

coal over the next five years.

The minister said that Indian goods facing 18 per cent tariffs will still have a competitive advantage in US markets compared to products from China and other competitor countries, which face higher levies. China has been slapped with 35 per cent tariffs, and other countries in Asia face 19 per cent and up.

At present, he said, India could source imports worth about \$300 billion from the US that it currently buys from other

Bangladesh faces rise in Islamist politics after uprising

DHAKA (BANGLADESH), FEB 08: A sharp rise in Islamist politics following the July 2024 uprising in Bangladesh could have widespread negative consequences, particularly for women, according to a new research report released in Dhaka on Sunday.

The report, titled "Rupture, Reform, and Reimagining Democracy: Navigating the Agony of Transition," was published by the BRAC Institute of Governance and Development (BIGD).

"I'll be very brief about it. We thought there would be a change in the political order in terms of, party system, in terms of, reforms, and massive changes in the elite struc-

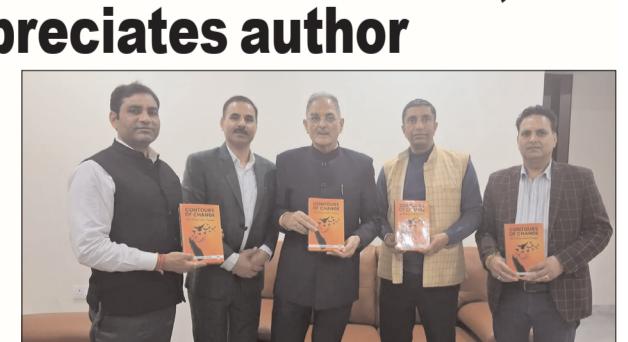

ture. There has to be a new elite structure, a new elite circulation. These things should have happened, and also a certain degree of rule of law. That didn't happen. Rather, we saw a chaotic situation, chaotic governance, a weak interim government who couldn't control the mobocracy and promote the democratic aspiration of the people. So, in that sense, it would be an exaggeration to call it a rupture.

"It's rather, you know, some kind of, you know, some changes.

LG Kavinder releases book, appreciates author

Himalayan Mail News
JAMMU, FEB 08

Ladakh LG Kavinder Gupta today released a book titled "Contours of Change: BJP & The New Kashmir Paradigm", and appreciated its author.

Speaking on the occasion, he appreciated author Jeevan Dhar, and described the book as a significant contribution to contemporary political discourse on Jammu & Kashmir.

"Such research-based works help society understand historical transitions, democratic processes, and

the evolving administrative and developmental framework of the region," the LG said.

"The book attempts to examine the political, constitutional, and developmental changes in Jammu &

Japan's first woman PM Takaichi wins resounding mandate in snap polls

and also the first woman head of the LDP, was projected to deliver as many as 328 of the 465 seats in parliament's lower house for her party.

The ruling party alone sailed past the 233 seats needed for a simple majority less than two hours after polls closed, on track for

one of its best ever election results.

The LDP, together with its alliance partner Japan Innovation Party (known as Ishin), now commands a supermajority of two-thirds of seats in the lower chamber of parliament. Sunday's resounding mandate has eased Takaichi's legislative agenda as she can now override the upper house, which she does not control.

Sending warm wishes over the poll result, Prime Minister Narendra Modi

affairs said.

The statement added: "During the meeting, it was agreed that each country would establish security and law-enforcement liaison officers and that their respective agencies would build on working relationships. This important step will help streamline bilateral communications and enable timely information sharing on issues of mutual concern to Canada and India, such as the illegal flow of drugs, particularly fentanyl precursors, and transnational organized

Cont. on P9 >

"The two sides acknowledged the progress on initiatives aimed at supporting the safety and security of their countries and citizens. They agreed to a shared work plan to guide bilateral cooperation on national security and law enforcement issues and to enable practical collaboration on respective priorities," the statement issued by the Ministry of External

Relations said.

Sources in the security establishment said that the "key message" from Doval's visit to Ottawa is that "violent extremist

groups do not enjoy the support of the Government of Canada."

Doval was in Canada for a two-day visit from 6 February till 7 February.

"The two sides acknowledged the progress on initiatives aimed at supporting the safety and security of their countries and citizens. They agreed to a shared work plan to guide bilateral cooperation on national security and law enforcement issues and to enable practical collaboration on respective priorities," the statement issued by the Ministry of External

Relations said.
