## ULB, panchayat elections to be held soon: Omar tells LA

Himalayan Mail News  
JAMMU, FEB 09

**Chief Minister Omar Abdullah today informed the legislative assembly that the government was making necessary arrangements to hold elections to urban local bodies and panchayats in the Union Territory at the earliest, but said the post of state election commissioner was presently vacant.**

"The superintendent, direction and control of preparation of electoral rolls and conduct of elections under the J&K Panchayati Raj Act, J&K Municipal Act and J&K Municipal Corporation Act, 2000, rests with the State Election Commission (SEC)," he said in a written reply to a question of Congress MLA Tariq Hameed Karra.

"The SEC is making necessary arrangements for holding panchayat and urban local bodies elections at the earliest. However,

the position of state election commissioner is lying vacant at present," Omar said, adding that the report submitted by the Jammu and Kashmir Local Bodies Dedicated Backward Classes Commission for determining the quota of reserved seats was under examination, and further steps would be taken accordingly.

He told the House that the term of panchayats and block development councils (BDCs) expired on January 9, while the term of district development council (DDC) would end on February 24.

He said the tenure of the Srinagar municipal corporation ended on November 5, 2023, while that of the Jammu's civic body also ended in the same month on November 14.

Terms of all municipal councils and committees expired between October and November 2023, the CM added.

He said that panchayat halqas were delimited prior to the 2018 Panchayat elections on the basis of the 2011 census. "As per the panchayati raj act, fresh delimitation of panchayat halqas can be undertaken only after publi-

cation of the population figures of the general census. Since no census has been conducted after 2011, there is no proposal for fresh delimitation at present," he said.

He said the delimitation of 77 urban local bodies (ULBs) had been taken up as per instructions of the housing and urban development department, adding that the process had been completed for 72 ULBs and was underway for the remaining five.

On reservation, the CM said rotation of sarpanch and panch wards would be carried out by the rural development department, while reservation of municipal wards would be undertaken by SEC after approval and notification of the OBC commission report.

He said that electoral rolls for panchayat elections had already been revised with January 1, 2025, as the qualifying date, while revision of municipal electoral rolls would be
