District Legal Services Authority (DLSA), Budgam, under the aegis of the Jammu & Kashmir Legal Services Authority (JKLSA), organized an Awareness Programme in collaboration with an NGO, Bal Raksha Bharat (Save Children), Srinagar, celebrated National Girl Child Day on the theme "Challenges and Opportunities for Girls."

The workshop brought together government officials, members of the judiciary, educators, health professionals, media representatives, and civil society members, who actively interacted with students from government-run schools.

Bal Raksha Bharat (BRB), J&K and Ladakh, highlighted the importance of sustained collaboration between government agencies, civil society, and the private sector in advancing the rights and development of the girl child. She stated that meaningful partnerships have enabled BRB to reach children effectively and demonstrate the power of collective efforts.

Shazia Manzoor, Head of Department of Social Work, spoke about the crucial role of parental support in shaping the progress and success of girls.

She stressed the importance of focus, determination, and working consistently towards one's goals.

She appreciated the efforts of Bal Raksha Bharat in grooming students as future leaders.

Dr. Samiya Khan, Consultant Pediatrician, JLN Hospital, emphasized that girls possess the power to transform society. She encouraged students to face challenges courageously and work towards economic independence to achieve success in life.

The primary objective of the programme was to empower girls, promote gender equality, and ensure their rights to education, health, and safety. The initiative aimed to change societal attitudes, create a secure and supportive environment, and enhance opportunities for girls to lead, thrive, and live free from discrimination.

The workshop concluded with a collective commitment to further strengthen inter-departmental coordination. Participants acknowledged and appreciated the significant contribution of Bal Raksha Bharat, in working towards the welfare and empowerment of children in the Union Territory.

Establishments dealing in essential commodities and grocery items were inspected to ensure protection of consumer rights and compliance with Legal Metrology provisions. During the drive, three offenders were booked for violations under relevant provisions of the Act.

Furthermore, the Legal Metrology Department has been conducting routine inspections as part of its mandated enforcement responsibilities. During the current financial year, penalties amounting to Rs 11.70 lakh have been realized from erring traders.

Besides, action was also initiated against various Food Business Operators (FBOs), particularly butchers who had failed to install mandatory glass enclosures and were displaying meat outside their shops in violation of prescribed hygiene norms.

The teams stressed the importance of maintaining hygiene, proper labeling, quality standards and fair pricing practices.

Meanwhile, the teams also carried out intensive market checking in Kakpora and adjoining areas.
