T20 WC: Nepal clinch historic 7-wicket over Scotland

MUMBAI, FEBRUARY 17: Dipendra Singh Airee's blistering half-century guided Nepal to seal their first-ever victory in the ICC Men's T20 World Cup after the Rhinos defeated Scotland by seven wickets at the Wankhede Stadium on Tuesday.

After being asked to bat first, Scotland started their innings on a strong note. They raced away to 52/0 in the powerplay.

However, Nepal captain Rohit Paudel broke the 80-run stand between Michael Jones and George Munsey after he removed Munsey for 27 off 29 balls, with four boundaries during the last ball of the 10th over.

Scotland kept up the scoring rate, piling 131/1 in 15 overs. Michael Jones kept Scotland on the offensive for the most part with a stand-out innings of 71 off 45 balls, with the help of eight fours and three sixes.

However, things changed pretty quickly for Scotland, after experienced Sompal Kami brought Nepal back into the contest with two

wickets in the 16th over. After he castled Jones, Kami took a brilliant return catch to remove Brandon McMullen (25) as Scotland slumped to 133/3.

In the last five overs, Scotland scored 39 runs and somehow reached 170/7. For Nepal, Kami finished with 3/25 in his four overs.

Chasing 171, Nepal's openers began their chase on a superb note. Openers Kushal Bhurtel and Aasif

Sheikh amassed 56 runs in the first six overs to ease their side into the chase.

However, Michael Leask broke the opening partnership between Kushal Bhurtel and Aasif Sheikh to bring Scotland back into the game.

The opening duo added 74 runs off 9.1 overs before Leask managed to induce a miscued shot off Bhurtel (43).

Leask then nabbed an

other wicket in his opening burst, getting the better of Aasif Sheikh with 94 runs on the board.

However, Dipendra Singh Airee (50* off 24 balls, with four boundaries and three fours) and Gulshan Jha (24* off 17 balls, with one four and two sixes) stitched a match-winning 73-run stand for the fourth wicket to help Nepal chase down the target in 19.2 overs. (ANI)

Fast bowling trio of Aquib Nabi, Sunil Kumar and Yudhvir Singh masterminded a dramatic collapse of Bengal's formidable batting lineup in their second innings to propel J&K close to history berth in the Ranji Trophy finals.

Chasing a target of 126 runs, J&K were comfortably placed at 43 for two. After taking a slight 26 runs vital lead, Bengal's second innings crumbled spectacularly for just 99.

Earlier, resuming from overnight total of 198 for five at Bengal Cricket Academy Ground in Kalyani, J&K posted 302 runs on Day three today, conceding a narrow 26-run lead.

The 25-year-old is already a part of the Test squad for the one-off game from March 6 in Perth.

gritty 58. Aquib Nabi (42 off 54 balls, 5 fours, 1 six) and Yudhvir Singh (33 off 42, 2 fours, 2 sixes) added crucial runs, though Kanhaiya Wadhwani (29) and Abid Mustaq (27) fell early.

Bengal's Mohammed Shami was the destroyer-in-chief, ripping through J&K with a haul of eight for 90 in 24.1 overs, supported by Mukesh Kumar, who took two wickets.

Bengal's second innings

crumbled at just 99, handing J&K. Shahbaz Ahmed top-scored with a resolute 24, but the rest offered no fight as J&K's pace trio ran riot.

Aquib Nabi and Sunil Kumar masterminded the collapse with four wickets apiece, while Yudhvir Singh snared two.

"We'll work on mistakes": Usman Tariq ahead of Namibia clash in T20 World Cup

COLOMBO, FEB 17: Pakistan spinner Usman Tariq said his team is focused on learning from their disappointing loss to India in the ongoing T20 World Cup and is determined to improve ahead of the upcoming do-or-die contest against Namibia.

Pakistan are in a must-win situation after losing to India. If Men in Green lose their match against Namibia, they will be eliminated from the tournament, and the USA, currently second, will qualify for the Super Eight stage due to a higher Net Run Rate.

During the pre-match press conference, the Pakistan spinner was asked how challenging it would be for the

coaching staff to lift the team's morale after the defeat to India. In response, Tariq stressed the importance of identifying and addressing errors.

"It only becomes difficult when you don't pinpoint your mistakes and work on them. We just had a conversation about the areas where we had lapses. We'll work on those mistakes and look forward to the next matches so that we don't repeat the same mistakes. That will definitely help in getting better results," he said.

Addressing questions regarding senior bowlers Shaheen Afridi and Shadab Khan facing criticism, Tariq said the focus was on executing plans rather than getting overwhelmed

by expectations.

"I'd like to say one thing about pressure. Playing against India is always high intensity, so whatever pressure is there is normal—it's something every human being feels. The important thing is how you overcome it, and we prepared for that. So there wasn't any special pressure. We were just trying to execute our plans. Performances depend on the day. If the bowling unit missed their lines, we'll focus on those things and work to improve in the next match," he said.

Responding to queries about Indian captain Suryakumar Yadav practising with a similar action, Usman said these are normal preparations every team does.

"There was a time when teams practised against tall bowlers by standing on stools to simulate Mohammad Irfan. It's a team game. If I'm controlling the runs from one end, the other bowler can take wickets from the other end. That helps the team. So the focus is always on contributing to the team effort."

Namibia have been eliminated from the ongoing tournament after they lost their three consecutive Group A matches.

Defending champions India have qualified for the next round from Group A. They are the top team in their Group with three consecutive victories. (ANI)
