T20 WC: Afghanistan thrash Canada by 82 runs

CHENNAI, FEBRUARY 19: A commanding all-round performance powered Afghanistan to a dominant 82-run victory over Canada in their ICC Men's T20 World Cup clash in Chennai on Thursday.

Riding on Ibrahim Zadran's fantastic knock and a clinical bowling display led by Mohammad Nabi, Afghanistan outplayed Canada in all departments to secure a comprehensive win.

Put into bat, Afghanistan's opening pair once again started well, putting on 47 runs. However, star batter Rahmantullah Gurbaz fell to 30, and Afghanistan slipped to 49/2 in the power play.

For India, Renuka Singh Thakur (1/27) and Arundhati Reddy (2/30) were among the wicket-takers.

After scoring 46 runs, Mooney surpassed legendary Meg Lanning to become the highest run-getter for Australia in T20Is. The wicketkeeper-batter has 3432 runs in 114 matches and 108 innings at an average of 41.85.

Lanning, who is now second, has amassed 3405 runs in 132 matches and 121 innings at an average of 36.61. The former Aus-

tralian captain notched up two centuries and 15 half-centuries.

Chasing 164, Indian openers Shafali Verma and Smriti Mandhana stitched a 57-run partnership for the first wicket.

Verma departed after scoring 29 off 23 balls, with five fours. Mandhana made 31 off 24 balls, with four boundaries. Both failed to convert their starts.

Captain Harmanpreet Kaur got out on 36 off 30 balls, with five fours. Wicketkeeper-batter Richa

Ghosh made 19 off 20 balls, with three fours. Jemimah Rodrigues (4), Amanjot Kaur (3) and Deepi Sharma's two-ball duck had a forgetful day as India made 144/9 in 20 overs, losing the contest by 19 runs.

With the ball, Ashleigh Gardner (3/22) picked up a three-wicket haul. Kim Garth (2/16), Annabel Sutherland (2/18), and captain Sophie Molineux (2/37) scalped two wickets apiece in Australia's 19-run victory. (ANI)

on track of the chase.

But Molineux applied the brakes when she pinned Shafali leg-before for a 23-ball 29 (5 fours) and Gardner got the key wicket of Jemimah Rodrigues (4).

India's run-rate slowed down with the two consecutive wickets and a third followed soon when Mandhana was caught sharply down the leg by Mooney off Garth.

With India struggling at 71 for three, skipper Harmanpreet Kaur (30) and Richa Ghosh (19) joined forces and did well to add 55 runs for the fourth wicket.

However, the asking rate kept moving up which in turn forced the Indians to take unwanted risks. Harmanpreet was caught by her

counterpart Molineux off Garth on the penultimate ball of the 17th over at extra cover, and three balls later, Ghosh was stumped off Gardner.

India's hopes suffered another big blow when Gardner had Deepi Sharma (0) caught by Sutherland in the 18th over, with India slipping to 128 for six.

Earlier, Voll (88) and Mooney (46) recorded the best-ever opening partnership for Australia of 128 runs against India as the hosts posted 163 for five.

Arundhati Reddy, who saw a catch being dropped off her final ball in the innings off Ashleigh Gardner (10 not out), once again delivered the goods dismissing both the Australian openers

to return 4-0-30-2.

Voll and Mooney bettered the first-wicket stand in women's T20Is for Australia against India, which was of 115 runs set by the pair of Alyssa Healy and Mooney in March 2020 at Melbourne.

With the right-handed Voll taking charge of the scoring from the word go, the senior pro Mooney played a perfect second fiddle but missed her milestone by a narrow margin.

Voll made the most of some wayward bowling from Indians to strike 11 fours and one six, scoring 88 off only 57 balls. She picked gaps with precision and displayed an array of strokes on either side of the wickets to get her runs. Mooney was caught at mid-on by Shafali Verma off Arundhati on the penultimate ball of the 15th over. The left-handed opening batter struck four fours during her 39-ball knock for 46 runs.

"Immediate aim to do well in junior Grand Slams," says Maaya Rajeshwaran Revathi

BENGALURU (KARNATAKA), FEBRUARY 19:

19 : Maaya Rajeshwaran Revathi, an emerging tennis player from Coimbatore, is competing in the KPB Trust ITF Women's Open W100 Bengaluru 2026.

The 16-year-old faltered in the first round of the singles main draw, losing to fifth seed Polina Iatcenko in three sets, but paired up with compatriot and close friend Shrivalli Rashmika Bhamidipaty to defeat another Indian pair and advance to the Quarterfinals in the Doubles, according to a release.

Coming on the back of another appearances Mumbai and Pune, Maaya continues to make steady strides on the international tennis circuit, drawing from strong early foundations in India and elite training at the Rafa Nadal Academy.

Maaya's tennis journey began at a young age in Coimbatore, with her parents encouraging her to take part in sports. Due to the availability of tennis academies closer to home, she decided to pursue tennis and what started as an extracurricular activity quickly turned into a professional sport.

"I started taking tennis more seriously when I was 10 years old. Winning the Under-12 Nationals in 2022 was an eye-opener; it made me feel that maybe I could do something with the sport

because I was enjoying it and felt happy on court. And when I entered the ITF juniors, I had a 25-match winning streak, won four tournaments in a row, and reached major quarterfinals and semifinals. Winning the J300 in Delhi also brought me closer to the Grand Slams, so it had been a great experience for me so far," she recalled.

At the KPB Trust ITF Women's Open W100 Bengaluru 2026, Maaya has shown occasional signs of brilliance and remains confident in her game.

"I feel it's been a good period of positive growth.

Right now, the focus is on amassing experience, competing against better players, and growing physically and mentally. Rankings and results will follow," she reflected on her recent outings in the country.

Expressing her fondness for the city of Bengaluru and noting its significance in her development, Maaya said, "My first-ever tennis tournament was in Bengaluru, an Under-10 tournament. I lost in the first round, but I still had a lot of fun and stayed at the venue the entire day. I've always liked playing in Bengaluru. In the Under-14s, I had one of my

better results here, and most of the times I've played these courts, it's been very good for me."

Ahead of the French Open, Maaya now plans to play on clay courts after her return to the Rafa Nadal Academy. "The environment is great at the Rafa Nadal Academy because you are surrounded by athletes, and I study there as well. It's turned into a second home. I will now look to play more on clay courts, with the French Open coming up. The immediate aim is to do well in the Junior Grand Slams," she stated. (ANI)
