

Div Com Kashmir inspects SANJY-2026 arrangements at Nowgam, Pantha Chowk

SRINAGAR, JULY 01: Divisional Commissioner Kashmir, Anshul Garg, on Wednesday inspected the arrangements for the Shri Amarnath Ji Yatra (SANJY)-2026 during an extensive visit of the Yatra Facilitation Centre at Nowgam Railway Station and the Yatra Transit Camp and Yatri Niwas at Pantha Chowk.

The Divisional Commissioner was accompanied by Deputy Commissioner Budgam, Athar Aamir, and Deputy Commissioner Srinagar, Akshay Labroo, during the visit to the respective yatra facilities.

During the visit, Garg inspected accommodation arrangements, separate sanitation facilities for men and women, drinking water supply, and the functioning of RFID and eKYC counters. On the occasion, he directed officials to install adequate signages to facilitate the smooth movement of pilgrims to various service and facilitation centres.

Addressing the media, the Divisional Commissioner said that the district administrations of

Budgam and Srinagar have put in place comprehensive arrangements to welcome pilgrims and ensure the safe and comfortable stay of pilgrims. He informed that nearly four lakh pilgrims have registered online for this year's Yatra, registering an increase over the previous year.

He said the pilgrimage will be conducted from July 3 to August 28 and expressed optimism that the number of yatis would increase further in view of the significant tourist footfall witnessed in the Valley this year. To cater to the expected rush, he added that additional RFID and eKYC counters have been established at Nowgam Yatra Station and Srinagar Airport.

Garg said the Yatra will continue under the convoy system from Jammu with strict security protocols in place. He added that the cut-off timings for the convoys have already been publicised to ensure better awareness among pilgrims.

The Div Com further stated that priority in issu-

ing RFID cards will be accorded to pilgrims who have completed online registration. However, on-the-spot registration counters have also been established at Pantha Chowk and at base camps along both pilgrimage routes. RFID cards for such pilgrims will be issued subject to the availability of the prescribed quota and accommodation capacity at the Yatra camps, he added.

Highlighting the challenging terrain along the pilgrimage routes, the Divisional Commissioner said that weather advisories issued by the India Meteorological Department (IMD) will be displayed on digital screens at Pantha Chowk and base camps to keep pilgrims informed.

He also informed that mountain rescue teams, along with personnel from the National Disaster Response Force (NDRF), State Disaster Response Force (SDRF), and other security agencies, have been deployed to respond to emergencies and provide timely assistance to pilgrims.

FMDCP Round 8: vaccine and logistics dispatched across Kishtwar district for 45-day mega vaccination drive

KISHTWAR, JULY 01: Animal Husbandry Department Kishtwar has dispatched the Foot and Mouth Disease Control Programme (FMDCP) Round 8 vaccines and logistics to all veterinary centres across the district, with special emphasis on ensuring supply to far-flung and Aspirational Blocks including Marwah, Warwan, Padder and Bunjwah.

The programme is being carried out under the directions of Deputy Commissioner Kishtwar Pankaj Kumar Sharma and supervised by Chief Animal Husbandry Officer Kishtwar Dr Ashfaq Ahmad Kailam.

The mega vaccination drive will commence on 2

July 2026 and run for 45 days to ensure door-to-door coverage across the district.

Reviewing the micro-plans for the campaign, the Deputy Commissioner directed field staff to ensure 100% saturation, with no eligible livestock left unvac-

inated, particularly in remote mountainous belts like Padder, Nagseni, Dachan, Mughalmaidan, Inderwal, Trigam, Drabshalla, Bunjwah and the trans-Himalayan valleys of Marwah and Warwan.

The Chief Animal Husbandry Officer (CAHO)

Kishtwar outlined the operational deployment for the campaign, directing veterinary doctors, paravets and mobile vaccination teams to remain stationed within their respective zones and instructing sector officers to monitor cold chain logistics closely to maintain vaccine efficacy. The department has formed dedicated rapid-deployment teams to navigate difficult terrain and reach every household.

The Animal Husbandry Department appealed to livestock owners across Padder, Bunjwah, Marwah, Warwan and the rest of Kishtwar district to cooperate with the vaccination teams over the 45-day drive.
