

DC Poonch tours various sites in Sub-Division Mendhar, reviews flash-flood affected areas

HIMALAYAN MAIL NEWS
JAMMU, JULY 29

Deputy Commissioner Poonch Ashok Kumar Sharma today undertook an extensive tour of Mendhar Sub-Division to assess the damage caused by recent floods and review the progress of restoration and relief measures being carried out by various departments.

The Deputy Commissioner inspected several flood-affected locations, including Mankote, Jungal, Mendhar Town, Chhatral Bridge, Salwa Bridge and other adjoining areas. He took stock of the damage to roads, bridges, public infrastructure and essential services, and interacted with local residents to understand the challenges they continue to face in the aftermath of the floods.

The DC later chaired a review meeting at the Dak Bungalow, Mendhar, attended by officers from all line departments. He directed the departments concerned to work in close coordination and ensure timely restoration of roads, drinking water supply, electricity and other essential

public services.

Sharma then visited Ari and Harni, where floodwaters had caused extensive damage to public and private property. He instructed the officers concerned to expedite restoration works, assess losses accurately and provide all possible assis-

tance to the affected families in accordance with government norms. He also directed field officers to maintain close monitoring of vulnerable locations, remain prepared for any emergency and keep precautionary measures in place to safeguard lives and

property.

Those accompanying the DC included SDM Mendhar Imran Kataria, Assistant Commissioner Development Shakeel Ahmed, Executive Engineers, Tehsildars, BDOs and other tehsil-level officers concerned.

JAMMU, JULY 29

Confederation of Indian Industry (CII) J&K organised an Awareness Workshop for Women Entrepreneurs on the theme “Catalysing Women-Led Growth: Incentives, Policies & Opportunities in J&K” at Countryside Resorts & Banquets, Lasjan, Srinagar.

Welcoming the participants, Ms. Haya Qazi, Convener, CII J&K Women Leadership Panel, highlighted the importance of creating an enabling ecosystem for women entrepreneurs through access to information, skills, mentorship and market opportunities.

Addressing the gathering, Mr. Iqram Ali Shafiee, Chairman, CII J&K UT Council, underscored the vital role of women-led enterprises in driving inclusive economic growth and called for greater collaboration among industry, institutions and government to strengthen entrepreneurship in the region.

Mr. Jameel Khan, CEO, Rural Business Incubation

Centre (SKUAST-K), delivered a detailed presentation on the startup ecosystem and explained the journey of building a startup, covering idea development, incubation support, funding opportunities and business growth strategies.

Dr. Shafquat Ara, Principal, Kashmir Government Polytechnic, highlighted the importance of skill development and technical education in fostering entrepreneurship among women. She emphasized the need to equip women with industry-relevant skills and knowledge to enhance their participation in economic

activities.

Mr. Ufair Aijaz Kitab, Convener, CII J&K Skills Panel, spoke about the significance of industry-aligned skilling and continuous learning, noting that a strong skill base is essential for enabling women entrepreneurs to build resilient and competitive businesses.

A key highlight of the workshop was a session by Ms. Aliya from Mission YUVA, who apprised participants of various schemes and initiatives aimed at promoting entrepreneurship and self-employment among women. She highlighted the financial assis-

tance, handholding support and capacity-building opportunities available under Mission YUVA.

The workshop witnessed active participation from women entrepreneurs, students and aspiring business leaders.

The programme concluded with a vote of thanks by Ms. Ridha Rashid, Co-Convener, CII J&K Women Leadership Panel, who expressed gratitude to the speakers and participants for their valuable contributions towards strengthening women-led entrepreneurship in Jammu & Kashmir.

JKCEGA Hosts Seminar on Sustainable Construction, Promotes Blended Cement for Durable Infrastructure

HIMALAYAN MAIL NEWS
JAMMU, JULY 29

The Jammu & Kashmir Civil Engineering Graduates Association (JKCEGA), in collaboration with Ultra-Tech Cement Limited, organised a technical seminar on “Building a Sustainable Jammu & Kashmir – Blended Cement for Durable Construction” at Tagore Hall, Srinagar, bringing together engineers, academicians, government officials, consultants, contractors, students, and industry representatives.

The seminar focused on promoting sustainable construction practices, innovative engineering technologies, and the use of blended cement to develop durable and environmentally responsible infrastructure across Jammu & Kashmir.

Er. Narinder Kumar, Chief Engineer, Public Works (R&B) Department, Government of Jammu & Kashmir, attended the event as the Chief Guest. Guests of Honour included Er. Ashwani Kumar, Chief Engineer PMGSY Kashmir; Er. Noor Ali, Chief Engineer R&B South Kashmir; Er. Sushil Kumar, Chief Engineer R&B North Kashmir; Er. Iftiqar Hakim, Chief Town Planner, Kashmir; and Er. Samiullah Beigh, Chief Engineer, UEED.

Welcoming the participants, the General Secretary of JKCEGA highlighted the association’s commitment to professional development, knowledge sharing, and capacity building among engineers. He stressed the importance of adopting sustainable construction materials and modern engineering practices to meet the region’s

growing infrastructure demands.

The seminar featured technical presentations by leading experts from the engineering and construction sectors. Dr. A. K. Singh, Senior Vice President, UltraTech Cement Ltd., explained the scientific advantages of blended cement over ordinary Portland cement. Er. Bashir Ahmad Dar, former Secretary Technical, JK PDD, delivered a presentation on green building technologies, while Er. Gurdeep Singh, Zonal Head (RMC–North), UltraTech Cement Ltd., discussed enhancing concrete durability through blended cement.

Other key presentations included Dr. Manamohan R. Kalgal on sustainable construction using blended cements, Dr. Majid Farooq on carbon credit scoring and its relevance to Jammu & Kashmir, and Dr. Ra-

machandra V. on case studies highlighting the use of blended cement in infrastructure projects.

Addressing the gathering, Chief Guest Er. Narinder Kumar appreciated JKCEGA for organising the seminar on a subject of significant contemporary importance. He underscored the need for continuous learning, adoption of modern construction technologies, and strict adherence to quality standards to build safe, durable, and sustainable infrastructure in the Union Territory.

The programme concluded with an interactive panel discussion and question-and-answer session, allowing participants to engage with experts on emerging challenges and opportunities in sustainable infrastructure development.

During the valedictory session, the Chief Guest felicitated the Guests of Honour, expert speakers, and representatives of UltraTech Cement Limited for their contributions. Participants described the seminar as highly informative, noting that it enhanced their technical knowledge and encouraged wider adoption of sustainable engineering practices.

JKCEGA reaffirmed its commitment to organising similar technical programmes in the future to promote engineering excellence, professional development, and sustainable infrastructure growth across Jammu & Kashmir.
