

CBC Katra Exhibition Highlights Govt Public Welfare Schemes

HIMALAYAN MAIL NEWS
JAMMU, OCT 15

The Central Bureau of Communication (CBC), Jammu, under the Ministry of Information and Broadcasting, Government of India, held the fourth day of its eight-day multimedia exhibition at Government Higher Secondary School, Katra, as part of the Navratra Festival.

on the themes “12 Saal Vishvas Ke, Vikas Ke aur Jan Kalyan Ke” and “Reform Utsav.” Satish Kumar Sharma, joint chief executive officer of the Shri Mata Vaishno Devi Shrine Board, Katra, attended as the chief guest. He stressed the need to organize awareness programmes regularly to inform the public about government schemes and help people access their benefits.

Rajesh Sharma of CBC

Jammu said the government’s welfare schemes aim to improve the lives of disadvantaged sections of society. Representatives from various departments highlighted key government schemes and services. Bharat Bhushan of the Agriculture Department spoke about the Kisan Credit Card (KCC), PM-KISAN, the Holistic Agriculture Development Programme and the Kisan Sathi Portal.

Ravi Khah of Jammu and Kashmir Power Development Corporation Ltd. (JKPDCL) explained the PM Surya Ghar scheme, including subsidies for rooftop solar installations. Gulshan Kumari of the Social Welfare Department outlined pension schemes for senior citizens, widows and persons with disabilities, along with scholarship applications through the National Scholarship Portal, marriage assistance and women’s support services.

Indu Manhas of the Health Department discussed noncommunicable diseases, their prevention and treatment, as well as maternal and child health initiatives, immunization, tuberculosis elimination and institutional deliveries.

The exhibition features displays on government schemes, information stalls, audio-visual presentations, expert talks, a drawing competition, an open quiz, seminars and cultural programmes. Departments participating in the event include Agriculture, Social Welfare, Sheep Husbandry, Rural Development and Panchayati Raj, Sericulture, and Integrated Child Development Services. Health services, first aid and Ayushman Bharat registration facilities are also available.

The exhibition will remain open to pilgrims visiting the Shri Mata Vaishno Devi shrine and the general public through Oct. 19, from 11 a.m. to 10 p.m.

JMC Commissioner inspects Waste Processing Facilities at Kot Bhalwal

Directs Trial Run of C&D Plant, Boost in Processing Capacity

HIMALAYAN MAIL NEWS
JAMMU, OCT 15

Commissioner, Jammu Municipal Corporation (JMC), Ms. Ayushi Sudan (IAS), conducted a comprehensive inspection of the Integrated Solid Waste Management Facility at Kot Bhalwal to review the functioning of various waste processing units, assess the operational readiness of installed machinery and strengthen the scientific and sustainable management of solid waste.

The visit focused on evaluating the progress of key waste processing facilities, improving operational efficiency, ensuring optimum utilisation of available infrastructure and promoting resource recovery in accordance with environmental standards.

Trial Run of C&D Waste Processing Plant Directed

During the inspection, the Commissioner reviewed the infrastructure and machinery installed at the Construction and Demolition (C&D) waste processing plant. The equipment includes a 6-CUM primary hopper, primary and secondary jaw crushers, vibrating screen, 3-CUM secondary hopper, four-belt conveyor system, washing plant, backhoe loader, tractor with trolley, weighbridge, electrical control panels and barbed-wire fencing.

After assessing the installation and readiness of the

equipment, Ms. Sudan directed the concerned officials to undertake a trial run of the plant to evaluate its operational performance, verify the functioning of the machinery and address any technical issues before regular operations commence.

Legacy Waste Bioremediation and Resource Recovery Reviewed

The Commissioner also inspected the legacy waste bioremediation site and reviewed the functioning of the installed segregation machine and Kistrack. She took stock of the processing and recovery of different waste fractions, including bio-soil, C&D inert material and Refuse-Derived Fuel (RDF).

The inspection emphasised the need for effective segregation, scientific processing and proper utilisation of recovered materials, along with environmentally safe disposal of residual waste in compliance with applicable environmental norms.

The Commissioner directed the concerned officials to undertake a trial run of the plant to evaluate its operational performance, verify the functioning of the machinery and address any technical issues before regular operations commence.

The initiative aims to improve resource recovery while reducing the volume of waste requiring final disposal.

The Commissioner subsequently inspected the waste processing facility operated by CEF Energy Jammu, reviewing the installed trommel machinery, Bio-CNG plant and ongoing processing operations.

Assessing the functioning of the equipment and utilisation of the available infrastructure, Ms. Sudan directed the concerned agency to increase the quantity of waste processed and improve the operational efficiency of the facility. She stressed the importance of making optimal use of the installed machinery to enhance processing capacity, facilitate greater resource recovery and ensure more effective scientific management of municipal solid waste.

The Commissioner directed the concerned officials to undertake a trial run of the plant to evaluate its operational performance, verify the functioning of the machinery and address any technical issues before regular operations commence.

rected the concerned officials and agency representatives to take timely follow-up measures, address operational gaps and ensure that the facilities deliver their intended outcomes efficiently and in accordance with prescribed environmental standards.

The inspection reflects Jammu Municipal Corporation’s continued commitment to strengthening solid waste management infrastructure, accelerating waste processing, promoting resource recovery and ensuring environmentally responsible disposal of waste for a cleaner and more sustainable Jammu.

Among those accompanying the Commissioner were Dr. Jaswant Singh, Executive Engineer, Yasir Bashir Kichloo, Executive Engineer (Mechanical), Talat Mahmood Khan, Sanitation Officer, Romesh Wazir, members of the Swachh Bharat Mission PMU team, and other concerned officials.

Farmers' Awareness Camp Organised at Panchayat Dhan under ATMA Scheme

HIMALAYAN MAIL NEWS
JAMMU, OCT 15

A one-day farmers’ training and awareness camp was organised under the Agricultural Technology Management Agency (ATMA) scheme at Panchayat Dhan, Zone KP Manwal, Sub-Division Dansal yesterday, with the objective of educating and empowering farmers about improved agricultural practices and various government initiatives ahead of the upcoming Rabi season.

The camp was chaired by Mr. Pranav Chadha, Subject Matter Specialist (SMS),

Sub-Divisional Level Dansal, and organised by Mr. Amit Pathania, In-charge Agricultural Extension Officer (AEO), KP Manwal, in coordination with Agricultural Extension Assistant (AEA) Mr. Ravinder Singh. A large number of farmers from the panchayat participated in the programme and actively interacted with the agricultural experts to enhance their knowledge of modern farming techniques and available departmental support.

During the camp, the participating farmers were sensitised about the essential

package of practices for Rabi crops, including timely sowing, proper seed selection, balanced application of fertilisers, efficient use of available resources and adoption of improved crop management techniques to enhance productivity and farm income.

Emphasis was laid on adopting scientific and sustainable agricultural practices suited to local agro-climatic conditions.

The farmers were also briefed about various initiatives being implemented by the Agriculture Department under the Holistic Agriculture Development Programme (HADP), with special focus on the opportunities available to farmers for improving agricultural productivity, diversifying farming activities and strengthening their economic condition. Detailed awareness was imparted regarding the importance of completing e-KYC under the PM-KISAN Samman Nidhi scheme to ensure the uninterrupted receipt of eligible financial benefits.

The significance of Soil Health Cards was highlighted, and farmers were encouraged to make informed decisions regarding fertiliser application on the basis of soil nutrient status. They were also educated about the Farmer ID initiative under AgriStack and its importance in creating a reliable digital agricultural database for facilitating access to various government schemes and services.

Furthermore, the farmers were made aware of the Khet Bachao Abhiyan and the importance of protecting agricultural land and adopting responsible farming practices.

The benefits of organic farming, including improved soil health, sustainable use of natural resources and reduction in excessive

dependence on chemical inputs, were also discussed. The participants were encouraged to explore environment-friendly agricultural practices for ensuring long-term sustainability and better returns.

As part of the programme, sickles were distributed among all participating farmers to support their agricultural activities. Lunch and refreshments were also arranged for the participants.

The farmers of Panchayat Dhan expressed their gratitude to Sub-Divisional Agriculture Officer (SDAO), Dansal, Mr. Ashwani Gupta, for his prompt intervention and timely action in ensuring the organisation of the awareness camp within a very short period. They appreciated the efforts of the Agriculture Department in taking farmer-oriented initiatives to the grassroots level and providing them with useful information regarding departmental schemes and modern agricultural practices.

The camp concluded with an emphasis on continued farmer outreach, capacity building and effective dissemination of agricultural information to strengthen the farming community and promote sustainable agricultural development in the area.
